

## INSTRUCTIONS FOR COMPLETING THE PERSONAL PROFILE

Thank you for your interest in our egg donor program. Please fill out the Profile to the best of your ability. If you do not know an answer, please do not guess, please indicate “unknown.” Please take your time. Most intended parents are looking for applicants who are thorough when filling out their application.

#11. If you are adopted, please fill out the remainder of the Profile with any information you have regarding your biological parents. If you do not have any information, please leave the questions blank. Please do not include information about your adoptive parents or siblings.

#12. Please do not simply put “White” or “Caucasian.” Please be specific such as French, Italian, Spanish, etc. If you do not know, please put “unknown.”

#13. Please indicate your religion or the religion practiced by your family.

#16. Please answer this question with regard to the relationship between your biological parents only. If your parents were never married, if you do not know your father or mother, or if you were conceived through artificial insemination or an egg donation, please select “other”.

#19. Please only indicate the results of IQ tests taken on paper. Please do not include results from IQ tests taken over the Internet.

#23. Please fill out all portions of this question completely. You need to indicate the full name of the college (do not abbreviate), the dates attended, the degree received (if you did not receive a degree please write “none”), your major(s) and your GPA. If you are currently enrolled at college and have not yet declared a major please indicate “undeclared.”

#30. Please indicate any therapy you have had, even if it was for only one session. You must indicate the dates you attended therapy and give a brief description of the reason you attended.

#32. You do not need to list conditions such as the common cold or flu or antibiotics prescribed for the same, but please list all surgeries including those for cosmetic reasons and any chronic conditions.

#35. If you select “no” please give a reason why.

#40 - #42. Please make sure you indicate the dates for any pregnancies, miscarriages or abortions.

#43. The information you provide should be for biological family members only. If you provide information for half siblings, please indicate that they are half siblings.

#43(b). Please make sure that you indicate the reason(s) for any deaths that occurred before age 60.

#44. Please do not guess if you do not know a family member's ethnic ancestry. Please be specific for any answers you provide and do not simply indicate "White", "Caucasian", or "European." If you do not know a particular family member's ethnicity, please put "unknown."

#45. Please complete this section as much as possible. You must first indicate your family members' occupations. Please do not list the company each family member works for, rather indicate the field they work in and/or their position. If a family member is retired, please indicate what they did prior to retirement, do not simply put "retired." Second, please indicate the highest degree each family member has obtained. If a family member did not complete high school simply check other and indicate the last grade completed. Finally, indicate the name of the school the degree came from. If more than one degree was achieved you may simply indicate the school the highest degree was from.
